

No Raise in Front:

	UTG	MP	CO	Button	SB	BB
Raise	Any pocket pair, AK, AQ, AJ, KQs	All UTG hands + KQ	All MP hands + AT, A9, A8s, A7s, KJ, KT, QJ, QTs, JT, J9s, T9s	All CO hands + A4s and higher, A7o and higher, suited connectors down to 67s, offsuit connectors down to 78o, suited 1-gaps down to T8s	JJ+, AK If it's folded to you, you can raise any hand you would normally raise from the button.	JJ+, AK If it's folded to the SB who limps, raise any hand you would raise on the button. Otherwise check
Call/Limp	N/A – we don't ever open limp.				Any hand you would play from the button + AXs and KXs	--
Fold	Everything else	Everything else	Everything else	Everything else	Everything else	--

With a Raise in Front:

	UTG	MP	CO	Button	SB	BB
Re-Raise	--	JJ+, AK	JJ+, AK	JJ+, AK AQ if raise was from LP	QQ+, AK AQ & JJ if raise was from LP	QQ+, AK AQ & JJ if raise was from LP
Call	--	Any pair TT and below*, AQ, AJs	All MP hands + AJ, QJs, TJs	All CO hands	Any pocket pair*, AQ, AJ, KQ	Any pocket pair*, AQ, AJ, KQ
Call With <u>Multiple</u> Callers in Front	--	--	--	JTo, suited connectors down to 87s	--	Suited connectors down to JTs
Fold	--	Everything else	Everything else	Everything else	Everything else	Everything else

* Only call if the raiser has ~75% of a buyin or more.

With a Raise *and* a Re-Raise in Front:

Re-ReRaise (4-bet) AA & KK, fold AK & QQ, and fold everything else from any position.
If these raises are both min-raises for some reason, you should call with any pocket pair.
